## PROFILE

I'm a driven software developer focused on creating impactful, user-centered solutions. With a passion for problem-solving and continuous learning, I thrive in dynamic environments that challenge me to deliver high-quality, scalable applications.

## WORK EXPERIENCE

### June 2021 - May 2022

CEC Pvt Ltd | Ahmedabad, INDIA

#### Software Development Intern

- Developed a Bug Management System, streamlining bug tracking and resolution processes.
- Led backend development using Java Servlets and optimized the frontend with HTML, JSP, and JavaScript.
- Improved data exchange efficiency through PHP-based JSON manipulation and rigorous testing.
- Collaborated with stakeholders for requirements gathering and continuous system updates.

### May 2021- June 2021

InfoLabz | Ahmedabad, INDIA

#### Junior Web Developer Intern

- Gained hands-on experience with real-time API integration and web development practices.
- Worked on data manipulation using JSON with PHP and enhanced scripting skills in JavaScript.
- Collaborated with the development team on front-end and back-end improvements.
